## **IPO fundraising crosses ₹1.11 tn in FY 2021-22; highest ever in a fiscal**

**New Delhi:** Fifty-two Indian corporates raised an all-time high of ₹1,11,417 crore through IPOs in the current financial year. This is despite the March quarter seeing only five IPOs, according to Pranav Haldea, managing director, PRIME Database Group. The IPO amount raised this year was an increase of 3.5 times from the ₹31,268 crore raised through 30 IPOs in 2020-21. **STAFF WRITER**
