

## India Inc May Take 36 Yrs For 30% Board Gender Diversity

Boardroom diversity continues to improve globally with 24% average female representation. France led with 45% in 2021. India has also progressed – from 6% in 2014 to 18% now among Nifty 500 companies. But the pace has faltered with just about 1% increase over last three years. Based on current rates, India will take till 2058 to achieve 30% gender diversity on boards
